Most important actions or issues to emerge from a County Wicklow PPN perspective:

New Children and Young People's Plan [CYPP] for Wicklow - Update on Progress

- Fionnuala presented the plan to the committee. Most of the meeting was taken up with the committee going through the plan and making recommended changes to it.

Fionnuala will now send the updated plan to member of the committee who were not in attendance at the meeting. If members come back with change these will be made. Feed back to come before the 14th Feb.

A copy of the plan will then also be sent to external stakeholders/ key people for review to ensure there is assurance of alignment.

The plan to be finalised by early March 2020 and submitted to the overall CYPSC Co-ordinator for approval.

- 11th Feb the CYPSC are holding a workshop in the Arklow Bay on Internet safety. There are still places available, targeting mostly parents.
- The School Refusal Document that the Committee and one of the Sub groups have been working on is nearly at the stage of printing. It is hoped to launch this document at end of March
- The Committee were informed that there will be a Youth summit on the 7th March for young people in Wicklow to attend. This will be facilitated by Dermott O'Brien the aim of the day is to get the views and needs of the young people heard on topic that are most affecting them. We also hope to start the process of a Youth panel that will feed back into the CYPSC committee.
