Wicklow County Council	Relove Fashion Competition	12. Responsible Consumption and Production	4_Quality_Education,11_Sustainable_Cities_Communities,17_Partnerships_For_The_Goals	Yes	eao@wicklowcoco.ie	A competition for secondary school students to redesign an outfit with a focus on producing wearable garments. Students use skills and innovative design to create a new item of clothing. The Rediscovery Centre in Ballymun and nine local authorities have partnered with Wicklow to deliver the project across the region. Three winning designs are selected to represent Wicklow in the final. Students document development of their outfit and give their views on making fashion sustainable.
