Participation Democracy and Good Governance

- Free Speech – giving young people the opportunity to give their opinion on things.
- Our voices need to be heard
- Government policy change: lower voting age
- We need to have a say in our future and not let others decide it for us
- Getting young people in our community more involved in politics
- More election
- More referendums if we need a change to our Government
- More elections
- Voting age to be dropped
- Schools should include politics a lot more detailed classes
- More influence on debating
- More youth facilities that are subsidised in smaller towns
- Focus on Free speech
- More connections with TDs and to feel like they want to listen to young people and our views.

Environment and Sustainability

- Less fossil fuels
- Recycling
- Renewable energy
- Keep tidy
- Plant more trees
- Solar energy
- Reduce carbon footprint
- Preserve animals
- Eat less red meat
- Cut less trees
- Preserve animals
- Anti-litter campaigns
- Don't be a monster use a composter
- Preserve natural habitats

- Tidy Towns
- Cycle
- Find ways to reduce carbon footprint – Filters on car exhausts
- Give me grants so I can make clean engines
- Protect endangered species
- More public transport in rural areas
- Put me in charge – Adam
- Renewable energy- homes, business and industry
- Recycling
- Neat
- Initiatives involving kids to introduce to nature
- Less Fossil Fuel
- Don't be mean be Green
- Keep Tidy

How do we value our natural environment and man-made heritage?

- By not littering
- Green belts
- Nature reserves
- Clean ups
- Creating/preserving monastic sites to attract tourism to fund preservation

What can be done to conserve/protect/restore these?

- Make them into tourist attractions so the funding can go towards this
- Green belts
- Invite volunteers to clean
- Heritage parks
- Create awareness as to why we should protect these

How can we interact with the environment next generation in a better state?

- Stop excessive trophy hunting animals as this leads to extinction of specimens
- Don't cut down excessive trees
- Ideas: Preservation
 - Museums
 - Green Belt
 - Volunteers

Social and Community Development

- Football clubs
- Who might be left out: people from other countries are left out (in schools, countries etc.
- Equality in school
- Clubs and services should be free
- More homeless shelter
- More hospitals
- More swimming pools
- Youth Hall
- Community Hall: area for societies/communities to meet, with group specific rooms
- Youth focused spaces
- Involve elderly in community
- Integrate society and facilities
- Need to improve access to transport
- Bring back post offices
- More youth clubs
- More people involved
- Services for young
- Care and Love
- People from other countries weren't included – equality and inclusion should be taught.
