

Community Enhancement Programme

2021

The Department of Rural & Community Development has not yet issued any notification in respect of the CEP for 2021.

2020

There were two tranches in respect of 2020 and all payments have been made as follows:

Tranche 1 (General): €61,767

Given the current restrictions, the Department has advised that with regard to Tranche 1 of the CEP launched June 2020, where groups are requesting an extension (and it is considered reasonable), Local Authorities should continue to contact the Department and each application will be dealt with on a case by case basis.

Tranche 2 (2020 Fund for Community Centre and Community Buildings): €150,438

Given the current restrictions, the Department advised that it does not have any issue to providing extensions of up to three months for Tranche 2 (2020 Community Centres and Community Buildings) of the CEP 2020, changing the drawdown date from 31st March to 30th June 2021, in order to allow time for community groups to complete their projects. A number of extensions have been granted.
