

Library Service (Greystones) Reading the Goals Book Club

Greystones library newest book club read books connected to the UN SDG's. They meet one Thursday every month. The books once read are available freely through the library or online on Borrowbox. The first book read was Swan Song by Gill Lewis. They then read and reviewed Earth Heroes by Lily Dyu. Each month their readers discuss which goal or goals the books adhered to most. During the summer the club had a trip to the beach and made beach art to represent individual goals. County Wicklow's libraries are an important tool for all who want to learn in the county offering something for all ages and all interests.
