

Co Wicklow PPN is proud to work “in partnership for the goals”.
Sustainable Development Global 17

Involving people in making the decisions that affect them and their lives is a core principle of democracy and the main function of the PPN. Real participation happens when people and government work in partnership to co-create infrastructure and services, solve problems and work towards the wellbeing of all for this generation and the generations to come. This collaboration strengthens and revitalises local partnership for sustainable development. Co Wicklow PPN raises awareness of the SDGs at every opportunity and highlights them in all our submissions and elements of work.
