Events Calendar & Funding Sources

Please do check with funders before starting any application as funding schemes, criteria, deadlines and contacts are subject to change. Funding deadlines provided are based on the most recent information available and on the supposition that deadlines for recurrent funding streams usually occur around the same time every year. Please also note we have included the main sources of funding supports currently available. However, there may be funders out there (EU, private etc.) that we are not aware of. If you know of such sources of support please let the PPN know and we will update our record.
